Hi Moises,

Hope all is well!

I wanted to introduce you to Ryan Kurtzman (cc'd), our city contact from the Mayor's office of City Services.

Ryan has been working with us to help ensure that all of the grantees have the information they need from the city to install their projects. Darin had been working with him earlier in the year so he is familiar with the project. If you have any questions at all with regards to connecting with the city, please don't hesitate to reach out to him or me. Thanks!

In play,

Naudy
